

March 23, 1973

CLERK; None.

PRESIDENT: Bills on Select File are all bracketed. Do we have any motions on the desk?

CLERK: Yes. Mr. President, I move to advance LB 432 to General File notwithstanding the action of the Education Committee. Signed, Senator Whitney, and I believe he is absent so this will just be laid over.

PRESIDENT: We will lay it over. Any other motions on the desk? Do we have a resolution for consideration on the desk?

CLERK: Kennedy wants to take up L R 23. This Resolution is found on page 306 of the Legislative Journal. It is introduced by the Public Health and Welfare Committee. Signed by Senators Kennedy, Cavanaugh, Goodrich, Lewis, Lewis Maresh, and Schmit. Read.

PRESIDENT: The chair recognizes Senator Kennedy.

SENATOR KENNEDY: Mr. President, fellow members, I would ask for suspension of the Rules that we may take up this issue at this time and it has been printed in the Journal. It was handed in last Thursday, so that you would all have an opportunity to look at it. It has been delayed until this morning so that you would have that opportunity. If there is any questions, other than that, I would ask for suspension of the Rules and that we do take this up at this time.

PRESIDENT: Is there any further discussion of the portion of Senator Kennedy's request which would involve the suspension of the Rules in order to take up the Resolution at this time.

SENATOR KENNEDY: This has been supported by the entire committee, Health and Welfare, and they have signed it.

PRESIDENT: Senator Whitney.

SENATOR WHITNEY: It would seem to me, Mr. President, that we ought to know something about what's in the Resolution in order to know whether to take it up or not
